

## Appendix 6

### Appendix Contents

There is no appendix for Chapter 6

**Note:** Appendices in the *Idaho Special Education Manual* contain a variety of technical assistance information, including sample letters and forms, suggestions for dealing with special education issues, and copies of various laws. The appendices should be viewed as additional resources to Chapters 1-14 in the *Idaho Special Education Manual*. The district is *not required* to adopt as policy or procedure any of the appendices in this manual to receive IDEA 2004 funding.
